Similar to other professional insurances, the Angel Directors and Officers Liability Policy is underwritten on what is known as a 'claims made basis.' This means that the policy will only provide cover against those claims or circumstances that are discovered and notified to the Insurers during the period of insurance. The nature and type of insurance cover offered can vary from policy to policy and insurer to insurer. It is therefore important the Applicant ensures the cover meets its needs and if in any doubt seeks professional advice from their insurance broker.
